Meet The Team

## KATIE WEBER

---

Hi, I'm Katie Weber. I have been a licensed cosmetologist since 2008. I knew from a young age that I always had passion for our industry! I truly enjoy making my clients feel welcoming and confident.

I have also found a great passion in education. Whether I'm attending a class or instructing, I find that they are constantly pushing me to stay on top with the latest trends!

## ELLIE CLARK

---

Hello, my name is Ellie Clark. I have been behind the chair for 5 years. Since I was a little girl, I have always known I wanted to be a cosmetologist. I truly enjoy connecting with my clients while giving them a great salon experience.

Ongoing Education is a priority as our industry is always changing. The tedious foil work is by far my favorite but any coloring technique is fun!

## JILL DUST

---

Hi everyone my name is Jill Dust. I have been a cosmetologist for 8 years.

Some of my favorite services I love to do include colors, highlights, mens haircuts, shampoo styles, gel nails, pedicures, body waxing lash lift and tints and brow laminations!

When I'm not at work you will most likely find me hanging out with friends and family!

## MARISSA

---

Marissa has been a massage therapist since 2019. Her favorite part of being an MT is helping her clients relax, revive, and heal their bodies.

As a recent graduate of the LLC esthetics program, Marissa is also passionate about body waxing and all things skin care.

Outside of work, spending time with her family, cooking up healthy recipes, and taking her dog Bruno on hikes are some of her favorite activities.

KIERSTEN
